Good Day to the Oceanport Public School Community:

The New Jersey Department of Education (NJDOE) aims to recognize educators and school service professionals, and to encourage them to become champions for education and advocates for students at the county, state and national levels. As a result, the Oceanport Public School District proudly takes part in the *NJ Governor's Teacher of the Year and Service Professional of the Year Program* on an annual basis.

We are therefore pleased and proud to recognize the 2020-2021 Oceanport School District Teachers of the Year and Service Professionals of the Year, as follows:

- Ms. Erica Dunn – Teacher of the Year – Maple Place School
- Dr. Donna McCartin – Service Professional of the Year – Maple Place School
- Mrs. Kristen Olsen – Teacher of the Year – Wolf Hill School
- Ms. Janet Wallace - Service Professional of the Year – Wolf Hill School

Each person to receive this honor was nominated by parents, colleagues and members of the Oceanport Community. Please join with us as we offer our heartfelt congratulations to this wonderful group of educators!

Sincere Best Wishes,

Anne R. Facendo, Interim Superintendent
