Dear Parents and Community Members,

Our goal is to maintain the academic excellence that Oceanport and Shore Regional school districts provide to all students, which include our very own Sea Bright children. We write to update you on the actions taken on behalf of the Oceanport Board of Education today, in support of our Sea Bright students and families.

This afternoon, the Oceanport Board of Education filed a petition with the New Jersey Department of Education addressed to the Commissioner of Education seeking an order invalidating the resolutions approved by the Borough of Sea Bright, the Borough of Highlands, the Borough of Atlantic Highlands, the Highlands Board of Education, the Atlantic Highlands Board of Education, and the Henry Hudson Regional School District Board of Education.

It is our opinion that the Borough of Sea Bright at this time is without legal authority to pursue the proposed regionalization and referendum in November of 2022 as a matter of law. We look forward to receiving the decision from the New Jersey Department of Education in response to our petition.

We will continue to provide the community with regular updates. Thank you.

Sincerely,

Oceanport Board of Education
